THEFT DETERRENT PROTECTION

Utilizes DNA Labeling to help prevent the theft of a marked vehicle.

Dealer Benefits

- Add to Your Profitability
- Increase Customer Retention
- Multiple Sales Opportunities
- Appeals to Lease Buyers & Purchasers
- Available for 1-7 year terms
- Available for sale in all states

Consumer Benefits

- \$3,000 or \$5,000 total benefit plans.
- DNA Labeling is an effective theft deterrent and meets many insurance carrier's requirements for anti-theft system premium discounts.
- In the event the customer's vehicle is stolen and deemed a total loss, a cash benefit is provided to the consumer that they can use towards the purchase or lease of a replacement vehicle to cover their deductible or to apply towards any other expenses that they may encounter.
- Down payment assistance: When the customer returns to the selling dealership they can receive an additional benefit that will be paid to the dealership towards the down payment on a replacement vehicle.
- Customer's auto insurance deductible is covered up to one thousand dollars (\$1,000) if the car is stolen and recovered damaged but not rendered a total loss.
- Rental Reimbursement and Trip Interruption Benefits are also included.

Eligibility

- New and Pre-Owned vehicles are eligible for coverage.
- Only available at the time of vehicle purchase.

Note: Dealers must be appointed through NIU of Florida, Inc. in order to sell in the state of FL.

In the state of UT the total benefit reimbursable to the customer under the terms of this limited warranty, are up to benefit limit of five thousand dollars (\$5,000). There is no Dealer Replacement, Rental Reimbursement or Trip Interruption benefits.
