

CUSTOMER BENEFIT

DESCRIPTION

Protect Your Wallet from Lease-End Charges

Coverage includes the most common charges and much more: Tires and wheels, dings, dents, scratches, chipped paint, exterior discoloration, pitting, rust & corrosion, stains, burns, and tears of upholstery & carpet, chipped/cracked glass including windshield damage, cracked headlamps, fog lights and tail lights, antennae damage, missing parts and manuals.

Lease Smarter

Flexible terms to match your lease, cost can be included in your monthly payment. Coverage up to a total of \$5,000 with \$0 deductible (each single incident limited to \$1,000). No penalty for early turn-in or within 180 days after the originally scheduled termination date.¹

Worry-free Claim Process

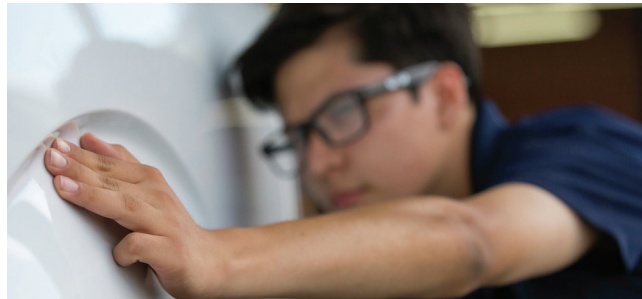

Simply submit the claim form and required documentation along with the lessor's liability statement. Upon approval, a payment will be issued directly to the lessor. Or, if you have already paid, payment will be made directly to you.

Protection from the unexpected. Don't be caught off guard by unforeseen expenses at lease turn-in.

HOW DOES IT WORK?

1. Turn in your vehicle when your lease expires.

2. LWT Protection covers eligible lease wear & tear charges.

3. Lease your new vehicle.

This is a summary of the Lease Wear & Tear contract. Please refer to the actual contract for additional information including details of the benefits, terms, vehicle eligibility, conditions, limitations and specific exclusions that apply to this product. Maximum eligibility limits apply.

¹Not available in New York

²You must file a claim within 90 days of a vehicle turn in.
