

PROGRAM/BENEFITS
DESCRIPTION
Optional No-Charge Back Program

Take control of GAP cancellation liability by participating in our No-Charge Back Program. Contracts that cancel after the flat cancellation period are shielded from charge-backs, giving you peace of mind and financial security

Dealer Profit Protection

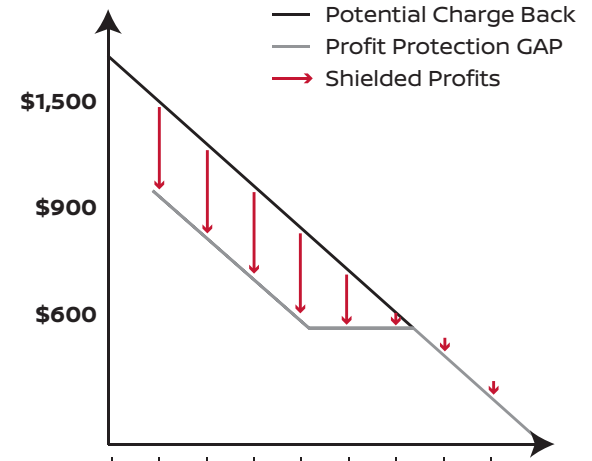

This program empowers participating Dealers to retain up to \$600 per GAP waiver sold, under specific conditions. It's not just a financial benefit; it's a testament to our commitment to your success.

Flexible Pricing

We understand every Dealer is unique. That's why our program offers flexible pricing options for both GAP and GAP Plus, as well as various term lengths. Tailor your offerings to meet the diverse needs of your customers.

Streamlined Operations

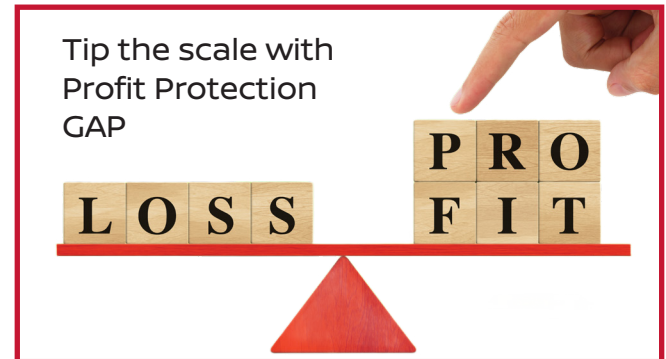

From flexible pricing structures to straightforward conditions, Profit Protection GAP seamlessly integrates into your operations, enabling you to focus on delivering exceptional service to your customers.

This example is for illustrative purposes only. Actual GAP cancellation charge back will vary based on specific circumstances.
