LIFETIME LIMITED POWERTRAIN WARRANTY

SMART QUESTIONS

VALUE-DRIVEN ANSWERS

What is this warranty?

Simply put, it's a new vehicle warranty that provides protection for the key component groups that are essential to keeping your Nissan running: Engine, Transmission/Transfer Case, and Drive Axle.

How much does it cost?

No cost to you. It is free and included with the purchase of your new Nissan. You pay only a \$100 deductible on repairs per covered claim after the expiration of your Nissan Powertrain vehicle warranty.

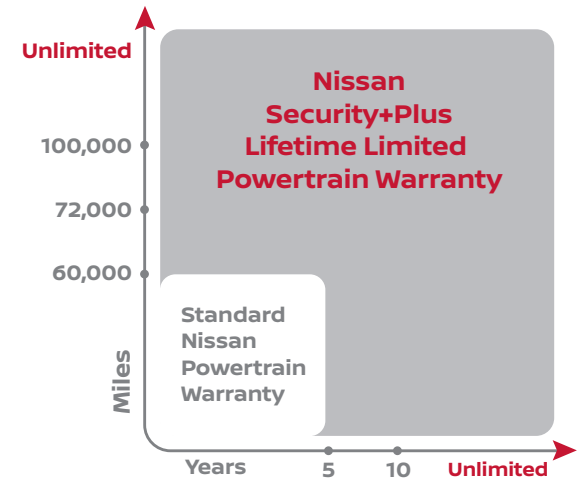

How long does it last?

Valid for as long as you own your Nissan — unlimited time and unlimited miles. We want you to be our customer for life!

What do I have to do?

Follow the maintenance schedule detailed in the vehicle's owner's manual and keep copies of all maintenance and repair orders. And come back every 7 years for a complimentary Powertrain inspection.

LIFETIME = UNLIMITED TIME & MILES

BENEFIT HIGHLIGHTS

Covers components designated by your original Nissan vehicle warranty as "Powertrain" components. Term begins after that warranty expires. Coverage on these major components could save you significant repair costs over the lifetime of your vehicle!
