PROGRAM

Paintless Dent Repair

INFINITI Elite Paintless Dent Repair (PDR) provides worry free appearance care by repairing those inevitable minor dents and dings.

Using a technique developed by automotive manufacturers, PDR works from behind the vehicle exterior to repair damage without sanding, painting, or body fillers. Our innovative PDR process uses specialized hand tools to manipulate and flex metal back to its original form. In most cases, there is no evidence that a dent ever existed.

Much faster than traditional body shop methods, PDR can remove small dents in as little as one hour.

Benefits of INFINITI Elite Paintless Dent Repair (PDR)

- Unlimited number of repairs during your contract term
- Repairs are completed in as little as one hour
- Covers vertical and horizontal panels
- Helps enhance resale value
- No deductibles

Protect your investment—Paintless Dent Repair is an extremely effective option for removing small dents and dings.

Drive with the security of knowing you are protected by INFINITI Elite Paintless Dent Repair.
