APPEARANCE PROTECTION

ELITE[®]
PROTECTION
PROGRAM

Appearance Protection

A major portion of a vehicle's value is determined by its appearance – a clean vehicle has greater value at trade-in time. But, there's a big difference between a vehicle that's clean (washed & detailed) and a vehicle that has had its appearance protected inside and out. By making a small investment today, you can ensure your vehicle maintains its appearance and value throughout your ownership experience. INFINITI Elite Appearance Protection can help you receive a top resale price, reduce turn-in costs, and enjoy your vehicle's original beauty even longer.

There are environmental conditions beyond the manufacturer's control that can negatively affect your vehicle's interior and exterior surfaces. With INFINITI Elite Appearance Protection, you can shield your vehicle against these unplanned, but not uncommon, issues:
